Vince

Here is the memo for Kevin Teichman that Sue drafted for you to send. I have a small comment at the end and suggest attaching the new fact sheet.

Karen,
here's some proposed text regarding the need for an AA briefing for acrylonitrile. Hope this is what you were looking for.
I'm happy to rework. I'm saved it as a word file and also copied it into this email below.
thanks,
Sue

Jamie and Sue:

Becki wants Vince to send an e-mail to Kevin Teichman asking whether Kevin wants another briefing on acrylonitrile before releasing it publicly.

If we include sufficient information, I'm hoping that Kevin will say he doesn't need another briefing.

I'm not sure which of you is the right person to ask, but could one of you please pull it together. The schedule calls for releasing this assessment the week of May 30 so it doesn't need to be done immediately, but within the next week is okay.
